DUKES LANDSCAPE MANAGEMENT PARTICIPATES IN THE PLANET DAY OF SERVICE.

Hackettstown, NJ - Dukes Landscape Management, Inc participated in the PLANET Day of Service on Earth Day 2011. PLANET, the national lawn and landscape association held its third annual nationwide Day of Service on April 22, 2011. Duke's Landscape Management, Inc., a member of PLANET, donated its time, skills, and materials for the benefit of Project Self Sufficiency of Sussex County.

Project Self Sufficiency is a local non-profit organization that assists low income families in achieving economic self sufficiency and family stability. Since 1986, Project Self-Sufficiency has served more than 19,000 families, including over 30,000 children. Dukes cleaned up and enhanced the location, making sure that ongoing upkeep was easier for the staff at Project Self Sufficiency.

Dukes Landscape Management Inc. was founded in 1983 by Eric Cross to service the landscaping, property maintenance, and snow removal needs of large properties in New Jersey. Duke's Landscape Management's Service Area spans from Pennsylvania to New York City covering Northern New Jersey.
